New Life at central.

R. G. Gaines, of Central, was in Pickens Taesday, and in conversation with him we learned that Gaines & Gassawaway Bros. had a car of good horses to sell; they also have a car of harrows, rakes, etc. These are good machines and the farmers all ought to use something of this sort as it saves both time and labor.

Mr. Gaines told us that Central these enterprises are under way there -and all of them will be bud, and in operation in the near future.

Central is not near dead; the moving of the railroad terminal from that point was only the making of her and is really the best thing that ever happened for that town and her citizens are now seeing it that way.

We rejoice with the town and her citizens in their good fortune, and hope before another year that they may have to increase each of these en-

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a tling indicates an unhealthy condineys; if it stains your linen it is evidence of kid-

ney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and biad-Her are out of order. What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wondesired ourses of the most distressing cases. f you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery
